Dear ISPU members,

the new year 2019 has already started and I would like to pass on some information to you and wishing you a successfull year.

I would like to please you sending me your "members data" - amount of members - as of 31st December 2018 with the necessary address data of your club.

Once received your data, I will issue the invoice for your yearly membership-fee and you will receive the payment related information ( bank account )

Please send your data untill mid of February issuing the invoices takes time and due data for payment will the 1st April 2019

Many times we receive payments without the necessary references for ISPU certificates on shows:

Please send always the following reference data with your payments:

**Country - Name of club - Date of show - Place of show - Dogs in catalogue**

If you need an official invoice, please send me your data before payment, thus you can use the invoice number as reference. Please consider a 2 months period after date of show for the payment due date.

Feel free asking me your questions

With best regards
